Election Time Is Coming

February is the time of when the Nominating Committee convenes to determine the ballots for the upcoming Board of Officer election in April. Time to grab a nomination form from the bulletin board in the hallway and nominate someone you believe would be of service to the lodge or toss your own name in the hat for a position on the board. All members are eligible to hold an office so long as you have been a member of Golden Triangle for six months or more. To run for president, you must have held an officer position at 874 for a full one-year term. The elections are held at the first General Membership Meeting in April and officers assume their new role May 1.

Moose Higher Degree Survey

Now that the Moose Fraternity has a unified membership in our lodges, it is time to start looking at how we recognize and award members who provide an exemplary level of service to our organization, regardless of gender. The survey is the first step in the process and allows us the opportunity to hear from current members, regardless of whether they are degree holders or not, to help shape what the future program should look like. The survey takes only a few minutes to complete, and your answers will help Moose leaders develop a program that responds to the needs and interests of our members. If you have not already done so, please visit: <https://www.moosintl.org/moose-higher-degree-survey/> and complete the survey. Thank you in advance for your input!

This year marks the fifth Cup Series season the Fraternity has paired with Chastain on the track while using the 30-year-old, Alva, Florida native in membership and charity initiatives away from the track. Ross and the Trackhouse Team will run the red and black No. 1 Moose Fraternity color scheme a few weeks earlier in 2024 than in the past. Ross will race the Moose car on Sunday February 25th in the Ambetter Health 400 at the Atlanta Motor Speedway. Make plans to cheer Ross to victory!
