## From The President's Desk

Happy June to All!

Once again I was honored to attend the 137th Annual Moose Convention this year in Milwaukee, land of cheese and beer.

How proud to know Florida was the only state to have EVERY lodge in attendance. There are a lot of changes coming our way. A new General Laws manual will be printed after several years. I was able to vote on the proposed changes.

And my husband and I got to visit MOOSEHEART. How enlightening to finally see up close and personal this Child City we work so hard to support.

I will be reporting what I learned these last few days at our next General Meeting on Monday June 2nd at 7pm. I'm hoping to see more members there to hear my report. Until then please everyone, remain safe and healthy.

I appreciate everyone,

**Denise Fitzgerald**  
**President.**

## A Gentle Reminder:

### "You Are Either a Member or a Guest"

These guidelines exist to protect the Lodge's IRS status as a 501(c8) Fraternal Organization.

All active members are welcome at any Lodge of The Moose unless their privileges have been suspended in accordance with the laws of The Moose.

A "qualified guest" is:

A) A member's immediate family. (There are no limits on how many times a spouse or qualified family member under the age of 21 may be admitted as a guest. However, all other immediate family members are limited to two visits as they now qualify as a prospective member.)

B) A prospective member. A prospective member is defined as any guest that is accompanied by a member who can sponsor them for membership. A prospective member may be admitted subject to the following: 1) the prospective member is always accompanied by their sponsor. 2) The prospective member is properly signed in as a guest. 3) The prospective member may not make any purchases. 4) The prospective member shall leave when their sponsor leaves. 5) Prospective members are limited to two visits before applying for membership.

Members, PLEASE be prepared to show your Moose membership card when making your first purchase in the Social Quarters or the Café. This is a requirement of the General Laws, and also protects our non-profit status as well as our license to serve adult beverages. Having your card ready when making purchases sets a good example for other members, especially new members.

## Vacancy on the Board of Officers

The Lodge Board of Officers is nearly complete. Needed are, Vice-President, Sargent at Arms, and Inner Guard. If you are interested in a position, contact the administrator or any officer.
