## From The President's Desk

Welcome to August! August brings important changes to every Moose Lodge in the country. Starting August 1<sup>st</sup>, everyone coming to the lodge will need to be a member. I made this announcement after returning from the National Convention the end of May.

So...if you are used to signing your spouse in as a guest, now that person will have to become a member of the lodge. You are able to become a member online or we have plenty of applications at the lodge. If you have any questions or concern please call the lodge for assistance of ask when you are in the lodge.

Our lodge dues are unchanged. Cost to the new member is \$65: \$45 dues and one time \$20 application fee. We appreciate every member and look forward to welcoming the new members.

Tim Schryer, better known as "Juice" has accepted the position and was voted in at a General Membership meeting to be our new administrator.
