## Special Meeting & Election – August 17<sup>th</sup>, 7:00 PM

A Special Meeting will be held to elect a new Three-Year Trustee Monday, August 17, at 7:00 p.m. The candidates are Mike Hamlin and Doug Smith. Both are highly qualified and generously volunteer countless hours at Golden Triangle Moose. Be sure to come out, support your preferred candidate, and cast your vote as we fill the final vacancy on the Board of Officers. Installation will follow the election, and the regular General Membership Meeting will take place afterward.

## New Member Orientation

New Member Orientation will be held on August 23 at 11:00 a.m. in the dining hall. All new members are encouraged to attend, and longtime members are welcome too. The program lasts approximately one hour and offers an informative look at the Moose fraternity, our traditions,

and the reasons we choose to be part of this organization. With all the great entertainment, delicious food, and affordable prices we enjoy, it can be easy to overlook the greater mission of The Moose: “The Moose is about celebrating life together, serving those within our local communities, supporting children in need who deserve a second chance, and standing by our senior members as they enter their twilight years.” Please join us and discover what makes our organization more than just a lodge. Come see for yourself why we are proud to be a Moose family.

## A Reminder about the Privacy Policy – Please Read

The Moose is a private organization, and protecting our tax-exempt status, liquor license, and Lodge depends on every member following the rules. The basic policy is simple: “You are either a member or a guest. A guest may visit the Lodge up to two times when accompanied and signed in by a member in good standing, after which they are encouraged to join.” Guests may never make purchases, especially in the Social Quarters, because our liquor license permits sales to members only. Violations could bring serious legal, financial, and tax consequences. Members are responsible for ensuring their guests follow these guidelines and for showing a valid Moose ID card when making the first purchase of the day. Life members should do the same, both to set the example and to help bartenders serve everyone quickly and efficiently. Protect your Lodge, know the rules, show your card, and help preserve the privileges we all enjoy.

## Save the Date: November 15!

Mark Penzkover, the 2026–2027 Moose International Chairman of the Board, is planning a visit to Golden Triangle Moose Lodge. Details are still being finalized, but a free breakfast is planned for all members who attend, beginning at 8:00 AM. The menu is still being planned, and volunteers are desperately needed to help make this important event a success. Moose International has been following our progress since the flood, and this is our chance to proudly show off our Lodge and the members who made it all possible. Let’s give our special guest a Golden Triangle welcome he will not forget!

## The Rumor is True...

Along with weekday lunch service, the Golden Triangle Café is now open on Sundays from noon to 3:00 p.m. The food is delicious any day of the week, so stop in and give it a try!
